

## PRINCE2®: Practitioner 6th Edition (v1.2)

### Overview

Welcome to the PRINCE2®: Practitioner 6th Edition course. If you are taking this course, you might already be a Project Manager, or you may be considering a career change and becoming one. Your ability to demonstrate best practices in project management—both on the job and through professional certification—is becoming the standard to compete in today's fast-paced and highly technical workplace. In this course, you will apply the generally recognized practices of project management acknowledged by PRINCE2®. This course will also serve to prepare you for the PRINCE2® Practitioner examination. This course is accredited by PEOPLECERT.

### Prerequisites

- PRINCE2® Foundation

### Prerequisite Comments

Students in Practitioner should have a familiarity with the basic concepts of PRINCE2®. They can obtain that level of knowledge by taking the following Logical Operations course:

PRINCE2®: Foundation 6th Edition

Students must complete pre-work before class. The necessary files can be downloaded from the CHOICE platform Files tab and are saved under the Pre-course Work folder within the data files.

During this class, students should have the Managing Successful Projects with PRINCE2® 6th Edition manual available to them. This manual can be purchased from the AXELOS website at <https://www.axelos.com/store>.

To take the PRINCE2® Practitioner exam, a student must hold at least one of the following prerequisite certifications:

PRINCE2® Foundation

Project Management Professional (PMP®)

Certified Associate in Project Management (CAPM®)

IPMA Level A® (Certified Projects Director)

IPMA Level B® (Certified Senior Project Manager)

IPMA Level C® (Certified Project Manager)

IPMA Level D® (Certified Project Management Associate)

### Target Audience

This course is designed for those seeking to achieve the PRINCE2® Practitioner certificate, which is an important and valuable qualification, demonstrating increasingly higher levels of competence. This level aims to measure whether a candidate can apply PRINCE2® to the running and
